What caused a little girl who played with dolls to become the biggest bully in high school, fighting and beating up other kids? ...and what caused that same woman, as an adult officer in a tough corrections facility, to become a private investigator, devoted to using her psychic gifts to serve God?

This is the true story of Gail Lionetti, well-known private investigator on the east coast who, after 2 near-death experiences, now helps police solve crimes and find missing children. From her tortuous childhood and adult life filled with pain and disappointment, Gail finds strength inside herself to keep going...discovering her spiritual path as well as the purpose in her life.
